Salute To 4-H Club Boys, Girls and Leaders

No. 42 of a Series

This is National 4-H Week

We are proud of the 20 White and 6 Negro 4-H Clubs in Appomattox County and their over 848 members.

Wherever you see a 4-H Gate Sign denoting the home of a 4-H Club Member, there you will find a conscientious citizen—one who has dedicated Head, Heart, Hands, and Health to Club, Community, and Country. During 4-H Club Week, March 5-13, we salute these boys and girls, men and women, who are working together for the betterment of America.

ames Issues -H Report

A report showing great progress 4-H Club work has been released G. L. James, Home Agent for Ap- matox for Negro work.

Several 4-H members are being ored for achievements, as fol- ws:

Tractor maintenance, James Fer- son, a medal.

William Forbes, a medal for his ievement.

Algie Williams, a medal for soil water conservation project.

All above are members of Carver 4-H Club.

A certificate of merit to William Forbes, county 1954 Leadership winner.

A safety award to the Spout Spring 4-H Club.

There are 262 4-H members enrolled in the Appomattox County organization, 150 girls and 112 boys. There was a project enrollment of 506, and a completion record of 260 projects. The active 4-H Council consist of 8 4-H members and 4 adult leaders. The county 4-H program planning is in the hands of this group.

The individual clubs total 6, with the Carver club having 162 members, the balance of the membership being distributed throughout the county clubs. There are nine adult leaders actively serving this membership.

Each 4-H club meets once a month with their respective leaders, with the agent attending the enrollment, organization and planning meetings.

Among last year's activites were the annual 4-H picnic at Prince Edward Lake, with an attendance of 216 of the 262 total membership; a county marble shooting contest with a participation of 71 members; a National 4-H Club Week program; Achievement Program, support of the Five County Fair.

The main purpose of the over-all program is to correlate and include the 4-H program into the adult program of better crops and better livestock. Meanwhile training these rural youth the value of good planning and record keping, and familiarizing them with the Extension program and the benefits of other government agents is a major goal.

THINGS YOU SHOULD KNOW
IN THE CONSTRUCTION
OF A WATER WELL

1. Always insist on a standard form written contract. Never accept a verbal agreement.
2. What is to be the diameter of the well and what is the maximum depth for drilling, if water is not encountered?
3. What kind and weight of casing is to be used?
4. Is any sand to be tolerated in water from the finished well?
5. How is the well to be completed? How is it to be tested? Who is to test it?
6. Rate to be paid per foot for drilling. Is casing included in this price? Is completing and testing included in the price? What are the terms of payment?
7. Will the driller supply the owner with an accurate log of the well and test record?
8. Does the driller carry liability insurance?
9. In case of a dry hole, will any adjustment be made on drilling charges?
10. Does your well driller have a full-time pump department?
